From the Principal's Desk

Dear Families,

As our academic year draws to a close, we have much to celebrate and we carry lots of happy memories. Most importantly our students have enjoyed another fabulous year. They have excelled in so many fields. It has been evident in their academic studies, sports, music and the arts to name a few and we are justly proud of them. The next few pages of the newsletter lists not only the achievements of the students but also the happenings in Regency!

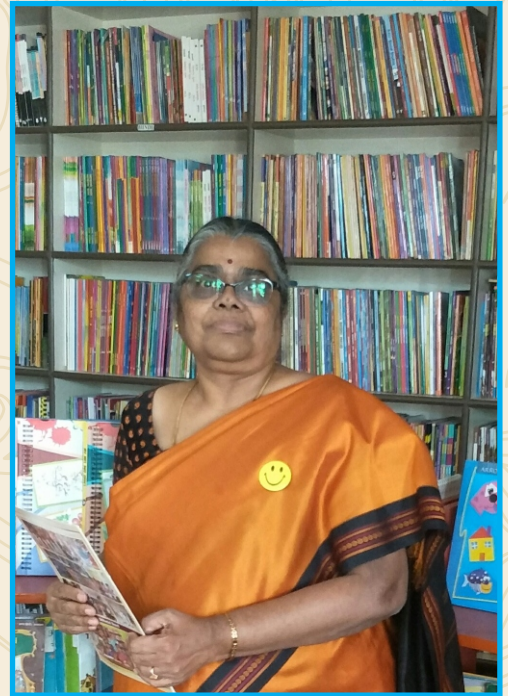

Over the summer holidays we will be working as a team to put in place a smooth opening to the next academic year and setting the priorities to build upon the successes of the school, so that we can challenge ourselves and set higher ambitious goals.

Summer is the time to reconnect and relax with the family, to recreate childhood memories and make new ones together. Your child may be thrilled and looking forward to the vacation, anticipating lazy days and much fun!

Just a few pointers for the vacation-

1. Make a scrapbook
2. Involve children in household chores
3. Maybe enroll them in summer camps.
4. Go on trips.
5. Make reading a daily routine for your children.

I would like to wish you a very happy vacation time and look forward to welcoming you all back, refreshed for an exciting new academic year.

With Regards,
Ms. Usha Ravi
