NEWS LETTER

The Regency Times
II Term 2019-2020

FROM PRINCIPAL'S DESK....**DEAR PARENTS,**

Glad to connect with you once again through this newsletter. This has been an eventful second term in many ways! Aristotle once said, 'Educating the mind without educating the heart is no education at all.' Keeping this in mind, we at Regency believe in value-based education. We strive to incorporate such activities that help in the all-round development of each child. As such, this term has been pretty hectic with a plethora of activities ranging from the Annual Sports Meet, field trips and celebration of festivals to various interschool competitions that tested the skills of our students in various spheres.

The feather in our cap this year has undoubtedly been the Art Splash and Carnival 'Funtastica', organized for the first time in Regency, which was a resounding success. Thank you dear parents for your continued involvement and support.

I am sure you are all aware that our institution has been nurturing the young minds of the town for more than 15 years and will continue to do so indefatigably.

Amid scares of the COVID-19 virus, we were forced to suspend our Annual Examinations as directed by the government in the interest of the students' safety. I know these are trying times for all of us, but this too will pass. I would like to share a few tips to help you manage your wards during the long vacation. Do encourage them to:

- *Practice good hygiene and personal care.
- *Take up some indoor hobby, solve puzzles/ mindbenders.
- *Do some simple exercises to keep the body fit as they are unable to go out and play.
- *Get into the habit of reading the newspaper everyday in order to be aware of the happenings around them.

Hope to see you all soon in the next academic year.

Stay healthy and stay safe.

With regards,

Usha Ravi
